COMMUNITY NEWS

THE DOORS OF NORTHFIELD PROJECT

Calling Northfield's Residents, Educational Institutions, Houses of Worship, Businesses, Agencies and Organizations!!

Northfield is known for its incredible architecture. To highlight that feature of the town, the 350th Anniversary of Northfield Committee is announcing the creation of a "Doors of Northfield" poster to be used as a fundraiser for the Anniversary's programs and we are looking for 24 Northfield doors to photograph which meet some or all these criteria:

- Connection to Northfield history
- Architectural uniqueness and visual interest
- Color
- Compatibility with the whole composition

We would like your permission to photograph your door for this commemorative poster to be created for the anniversary program being planned for 2023.

Photos will be taken between fall 2021 and late spring 2022 by local photographer Cate Woolner. Twenty-four final images will be selected to appear on the posters. We hope to have posters ready for sale in the fall of 2022.

For more information or to have your door considered for inclusion, please contact Cate Woolner catewool@gmail.com by September 30, 2021.

Thanks!
